Dear Brothers:

We hope you and your families are all safe and healthy. In these trying times we are finding that our scholarship applicants may be having trouble securing the pertinent information needed for the application. With high schools closed it is very difficult to secure transcripts and letter of recommendations.

**With this in mind, the scholarship committee has decided to move the application process and due date to this fall after schools reopen.** I will be sending out further information on a revised deadline for submission of completed applications.

My best to you and your families and may we all remain vigilant during these difficult times.

Fraternally yours,

Basil Katsamakias  
AHEPA D6 President of the Perceptual Scholarship Program  
AHEPA D6 Director of Education
