Hellenic Cultural and Education Series

Dear Brothers:

AHEPA Chapter 455 will be hosting the **Greek Independence Day** presentation at the Saints Constantine and Helen Church Hall in West Nyack, NY on March 20, 2022, at 12:00 pm.

The presentation is titled “1821 the Liberation of Greece” with our honored guest speaker and AHEPAN Brother Vassilios (Billy) Chrissoschos. Brother Vassilios is a historical consultant who has given many presentations on various Hellenic themed subjects such as “Byzantium’s Macedonian Dynasty”, “The Historical Significance of OHI Day” and “1821 the Liberation of Greece”. He has also been the primary composer, historical consultant, and producer of Prophyra’s “Anna and Vladimir”, which debuted at Carnegie Hall and Off Broadway. The next production called “The Story of Princess Anna Porphyrogenita” is set for June 24 to 26, 2022 at St. Demetrios Preparatory School in Astoria.

Vassilios is currently working on a documentary with his Hellenic History series project “World War I’s Balkan Theater”. He is also the AHEPA District 6 Director of Hellenism and President of Hermes AHEPA Chapter 186 in Astoria, just to mention a few.

This will be a great opportunity for adults and children to come for Coffee Hour and Snacks, listen and watch this multimedia presentation to perhaps one of the most exciting chapters in Greek History.

What better way to pass on our Hellenic History and Pride to the next generation of Hellenes and Philhellenes the week before our Greek Independence Day!!!!

So, please come and bring your children, grandchildren, great grandchildren and even their friends. Let’s not forget Kolokotronis, Karaiskakis, Diakos, Kanaris, and Bouboulina to name a few. For it not for their heroism and patriotism, we would probably not be here today. So, lets honor them by passing forward their names to the next generations.

For those who cannot attend but want to participate we will also be having Zoom. If there are any questions, please call or e-mail me.

Fraternally yours,

Michael Tribunella
