Brothers:

I hope you had a healthy Merry Christmas and best wishes to you and your family for the coming New Year.

As we approach the 200th Anniversary of the Hellenic/Greek Independence Day Celebration we should keep in mind that the accomplishments of freedom require the sacrifices of many.

Our AHEPAN Veterans made those sacrifices for the freedom we enjoy and we will never forget. We are in the planning stages to have our Veterans get together virtually on *Zoom* or *GoToMeeting* where they can share their experiences while serving in the Armed Forces. We can call our meeting "A Band of Brothers" or "Bring the Eagles In" and welcome suggestions.

Your stories are very important to us in the District and National level and also to our communities. We would like to document and place your story into a library of our District and eventually submitted to National.

A future virtual meeting date will be announced soon, so keep an eye on your e-mail. We appreciate your dedication and will keep you in the forefront always.

Fraternally yours,

Michael Labatos
D6 Director of Veterans Affairs
