Order of AHEPA

American Hellenic Educational Progressive Association
Empire State District No. 6
www.ahepad6.com

November 25, 2021

To all the chapter officers and members of AHEPA Empire District 6:

It's the time of the year when we gather around the dining room table with our loved ones to pause and reflect upon which we are thankful. Many of us were not able to celebrate together last year because of the pandemic. We have a lot to be thankful for this year by celebrating Thanksgiving with our families and friends.

I am thankful for the privilege to serve you as your District 6 Governor. It is an honor to work and share my time with so many dedicated and supportive members. Your philanthropic and civic work to benefit so many worthwhile causes have inspired me!

This Thanksgiving holiday offers us a special opportunity to reflect on our many blessings and to be grateful for the gifts we have received. We are mindful of those less fortunate in our communities, our country and our world. Thanksgiving is an invitation to continue our work to alleviate the suffering and make a difference to the most vulnerable members of our communities. Let's think of the sick at Ronald McDonald House, the children at St. Basil's Academy, and the elderly at St. Michael's Home in addition to other charities. You may also consider donating to AHEPA's Emergency Relief Fund which provided valuable funding to alleviate the suffering of the people of Greece who were devastated by this summer's wildfires, and to our communities in Louisiana as Hurricane Ida came barreling through the Gulf and caused severe flooding and tornado damage in the mid-Atlantic region up to parts of New England.

On this day, we set aside time for our prayers and for giving thanks, especially for our health and the health of our loved ones during this long Coronavirus pandemic. We also express our gratitude to the men and women of our armed forces and their families who selflessly serve to protect our country and our way of life.

As we come to the end of 2021, and on behalf of the AHEPA District 6 Lodge, I wish all of you a Happy Thanksgiving. We are thankful for our members. Without you, AHEPA would not exist. If you have not paid your 2021 chapter dues, please find it in your hearts to send in your payments now before the year expires. I hope that you will continue to offer your time and talents to this great association and be with us in 2022.

Happy Thanksgiving to you and your families.

Fraternally,

Dean Moskos
District 6 Governor
